The New International Dictionary of Old Testament Theology and Exegesis has rapidly become a benchmark for Old Testament study. The introductory articles of this award-winning, five-volume set stand alone as a study resource, and have proved their use as classroom material. Together, they introduce the student to everything he or she needs to know to begin doing exegesis of the Old Testament. Written by experts in their respective topics, now the ten introductory articles appear in this separate volume. A Guide ...
