- Publisher: Dark Horse Comics

Anthony Bourdain's Hungry Ghosts by Anthony Bourdain, Joel Rose, Alberto Ponticelli, Vanesa Del Rey Hungry Ghosts is cooked up by the best selling author and veteran chef, Anthony Bourdain (Kitchen Confidential, Emmy-Award winning TV star of Parts Unknown) and acclaimed novelist Joel Rose (Kill, Kill, Faster, Faster) back again from their New York Times #1 best seller, Get Jiro!. Featuring all-new original recipes prepared by Bourdain, plus a yellow ribbon bookmark, and a guide to the ghostly legendary spirits behind these horrifying tales. This horror anthology is sure to please--and scare! On a dark, haunted night, a Russian Oligarch dares a circle of international chefs to play the samurai game of 100 Candles--where each storyteller tells a terrifying tale of ghosts, demons and unspeakable beings--and prays to survive the challenge. Inspired by the Japanese Edo period game of Hyakumonogatari Kaidankai, Hungry Ghosts reimagines the classic stories of yokai, yorei, and obake, all tainted with the common thread of food. Including stellar artists Sebastian Cabrol, Vanesa Del Rey, Francesco Francavilla, Irene Koh, Leo Manco, Alberto Ponticelli, Paul Pope, and Mateus Santolouco as well as amazing color by Jose Villarrubia, a drop-dead cover by Paul Pope.
