Buseyisms: Gary Busey's Basic Instructions Before Leaving Earth (Signed Book) by Gary Busey, Steffanie Sampson Words of wisdom and incredible life stories, told through Gary Busey's unique Buseyisms. "What is a Buseyism? I take the letters that spell a word to create a definition for the word in the truth of its deeper, dimensional meaning. I weave in my personal anecdotes along with my musings on how I live life successfully according to my experiences. Who am I, a genius, a crazy madman, to give advice? This is not advice. I am sharing the life lessons I learned while surviving the ups and downs of almost 50 years in Hollywood, a near fatal motorcycle accident, a drug overdose, two divorces, bankruptcy and cancer in the middle of my face. I may turn concepts you usually believe in upside down with my bizarre stories, but that comes with the dinner. These are my life lessons, my B.I.B.L.E.—Basic Instructions Before Leaving Earth." —Gary Busey
