Character Design Quarterly 4: Visual Development Illustration Concept Art by 3dtotal Publishing
Following on from the success of previous issues, Character Design Quarterly issue 04 brings you exciting new techniques from top industry professionals as they explore character design through in-depth tutorials, and quick processes. This high-quality publication is an excellent source of fresh inspiration for your own designs, featuring artworks from a wide selection of popular artists. In this issue we also speak to character designers from top animation studios and talk to freelance illustrators about their work. These artists share their outstanding work and how their careers have progressed. Get valuable insights into what it takes to become a leading industry professional today with this varied and engaging new issue!
