Disconnected: Poems & Stories of Connection and Otherwise by Amanda Lovelace, R. H. Swaney, Pierre Alex Jeanty, Nikita Gill Humanity exists in a hyperconnected world, where our closest friends, loves, and enemies lie but a keyboard stroke away. Few know this better than the poets who have risen to the top of their trade by sharing their emotion, opinion, and art with millions of fans. Combining the poetic forces of some of today's most popular confessional poets, this book presents poems and short stories about connection wrapped up in a most unique exercise in creative writing. Follow along as these poets connect with each other—offering their poetry to one of their fellow contributors, who tells a story based on the concept presented to them. With poetry, stories, and art, [Dis]Connected is a mixed media presentation of connection, isolation, love, and loneliness.
