Eight Simple Rules for Dating a Dragon: A Novel of the Embraced by Kerrelyn Sparks EIGHT SIMPLE RULES FOR DATING A DRAGON “Deeply satisfying, delightfully swoon-inducing.”—Publishers Weekly on Kerrelyn Sparks’s Love at Stake series TRUTH—OR DARE? Gwennore is an Elf able to track down the cause of a certain illness and heal it—a valuable asset to her people. But when she is thrust into the realm of the dragons, she discovers a haunted place of power, passion, and magic—one that is plagued by an ancient curse. When she meets the smoldering General Silas Dravenko, Gwen knows she’s entered a whole new world of trouble. She’s been raised never to trust a dragon. So why does making a deal with the devil feel so good? Silas has no way of saving the royal family he’s served for years. But when a beautiful, innocent elf comes bursting into his world, Silas is awakened to desire in a way he’s never felt before. But how can he trust a sworn enemy. . .and how can he live without her, in Eight Simple Rules for Dating a Dragon by New York Times bestselling author Kerrelyn Sparks.
