Hey Ladies!: The Story of 8 Best Friends, 1 Year, and Way, Way Too Many Emails by Michelle Markowitz, Caroline Moss, Carolyn Bahar Based on the column of the same name that appeared in The Toast, Hey Ladies! is a laugh-out-loud read that follows a fictitious group of eight 20-and-30-something female friends for one year of holidays, summer house rentals, dates, brunches, breakups, and, of course, the planning of a disastrous wedding. This instantly relatable story is told entirely through emails, texts, DMs, and every other form of communication known to man. The women in the book are stand-ins for annoying friends that we all have. There's Nicole, who's always broke and tries to pay for things in Forever21 gift cards. There's Katie, the self-important budding journalist, who thinks a retweet and a byline are the same thing. And there's Jen, the DIY suburban bride-to-be. With a perfectly pitched sardonic tone, Hey Ladies! will have you cringing and laughing as you recognize your own friends, and even yourself.
