Since 1978, Chelsea Quinn Yarbro has produced about two dozen novels and numerous short stories detailing the life of a character first introduced to the reading world as Le Comte de Saint-Germain.

We first meet him in Paris during the reign of Louis XV when he is, apparently, a wealthy, worldly, charismatic aristocrat, envied and desired by many but fully known to none. In fact, he is a vampire, born in the Carpathian Mountains in 2119 BC, turned in his late-thirties in 2080 BC and destined to roam the world forever, watching and participating in history and, through the author, giving us an amazing perspective on the time-tapestry of human ...
