In Dust and Ashes (Hanne Wilhelmsen Series #10) by Anne Holt The final nail-biting installment in the ten-part, award-winning Hanne Wilhelmsen series—bestselling in Norway and throughout Europe—from Scandinavia’s most celebrated female crime writer, Anne Holt. In 2001, three-year-old Dina is killed in a tragic car accident. Not long thereafter Dina’s mother dies under mysterious circumstances, and Dina’s father Jonas is convicted of her murder. Now it’s 2016, and the cold case ends up on the desk of Detective Henrik Holme, who tries to convince his mentor Hanne Wilhelmsen that Jonas might have been wrongly convicted. Holme and Wilhelmsen discover that the case could be connected to the suicide of an eccentric blogger, as well as the kidnapping of the grandson of a EuroJackpot millionaire. Twenty-four years in the writing, the ten books in Anne Holt’s bestselling international series is now complete. “Hanne is a character who’s going to get in your head—and stay there” (Entertainment Weekly). In Dust and Ashes is the exciting, not-to-be-missed conclusion to this terrific series.
