Moving in Glory Realms: Exploring Dimensions of Divine Presence by Joshua Mills A Blueprint for Revival! Many believers today yearn for an encounter with the supernatural. They hunger to experience the glory of God they've only read about in the Bible. Joshua Mills believes that all Christians are intended to live, move, and operate within what he calls "glory realms." Now Joshua opens up God's glory by explaining the different realms, spheres, and dimensions of the kingdom. He systematically builds a faith framework in which the reader can begin to move into the glory of God with ease. Joshua breaks down our understanding of God's glory into three parts: first, moving in the Spirit, which is about understanding the different dynamics of faith, anointing, and God's glory; second, moving in the supernatural by recalibrating ourselves to heaven's frequency, working with angels, and accessing the highest power of God's glory so that the miraculous dimension begins to manifest; and third, moving in the heavenlies, dealing with spiritual travel and prophetic encounters, manifesting divine abundance, and living in heavenly revelation. Throughout, Joshua shares many unusual and extraordinary testimonies of God's glory working through uncommon signs and wonders, heavenly experiences, angelic appearances, and other manifestations of the miraculous. Through his dynamic teaching and powerful testimonies, Joshua will not only help you understand God's glory, he'll also guide you into experiencing and walking in the glory every day.
