Nameless Serenade by Maurizio de Giovanni A Commissario Ricciardi Neapolitan mystery that packs a real punch. Years ago, Vinnie Sannino left Naples on a ship bound for America, where he found fame and wealth as a boxer. But his gilded life in the new world came to an abrupt end when, during a fight, with a heavy punch to the head of his opponent, Vinnie killed a man in the ring. Now, Vinnie's back in Italy, pining for the woman he left behind. Cettina, however, is now a married woman. She was, at least, until recently when her husband was found dead, killed by a single blow to the head. For Commissario Ricciardi, one of the most faceted cops in fiction, and his partner Maione, it is a going to be a long, rainy, week in Naples.
