

### **Psycholinguistics by Thomas Scovel**

- Page: 74
- Format: pdf
- ISBN: 9780194372138
- Publisher: Oxford University Press, USA

Psycholinguists have shown that the production and comprehension of even the simplest language is a highly complex process. This brief introduction shows how psycholinguistic research can act as a window to the workings of the human mind and the study of consciousness.
