“Good English language historical studies of modern Nicaragua can be counted on one hand. Joining this elite group, Zimmermann’s well-researched, -organized, and -written book focuses on the most important (yet oft-misunderstood) figure in the FSLN insurgency of the 1960s and 1970s, Carlos Fonseca. As such, it is welcome, indeed.”—Thomas W. Walker, Ohio University

“In this century we have had to look hard not only at the great struggles for justice but at the lives of the men who led those struggles. In this well-researched biography of Carlos Fonseca, founder and indisputable leader of the FSLN until his death in battle two years before Somoza’s defeat, Matilde Zimmermann gives us a compelling portrait of someone obsessed with detail, puritanical but caring, brilliant and determined. Zimmermann asks the difficult questions and her answers are sometimes surprising. A must read for anyone interested in Nicaragua—or in the overall issue of social change.”—Margaret Randall, author of SANDINO’S DAUGHTERS and SANDINO’S DAUGHTERS REVISITED

“Zimmermann does an excellent job explaining the real content of the FSLN’s internal differences, going a long way beyond the very schematic and surface readings that have appeared thus far. It is a pioneering effort and our understanding of the Sandinista revolution is substantially enriched by this study.”—Barry Carr, LaTrobe University
