Song of a Captive Bird by Jasmin Darznik A spellbinding debut novel about the trailblazing Iranian poet Forugh Farrokhzad, who defied society's expectations to find her voice and her destiny "Remember the flight, for the bird is mortal." All through her childhood in Tehran, Forugh Farrokhzad is told that Persian daughters should be quiet and modest. She is taught only to obey, but she always finds ways to rebel—gossiping with her sister among the fragrant roses of her mother's walled garden, venturing to the forbidden rooftop to roughhouse with her three brothers, writing poems to impress her strict, disapproving father, and sneaking out to flirt with a teenage paramour over café glacé. During the summer of 1950, Forugh's passion for poetry takes flight—and tradition seeks to clip her wings. Forced into a suffocating marriage, Forugh runs away and falls into an affair that fuels her desire to write and to achieve freedom and independence. Forugh's poems are considered both scandalous and brilliant; she is heralded by some as a national treasure, vilified by others as a demon influenced by the West. She perseveres, finding love with a notorious filmmaker and living by her own rules—at enormous cost. But the power of her writing only grows stronger amid the upheaval of the Iranian revolution. Inspired by Forugh Farrokhzad's verse, letters, films, and interviews—and including original translations of her poems—this haunting novel uses the lens of fiction to capture the tenacity, spirit, and conflicting desires of a brave woman who represents the birth of feminism in Iran—and who continues to inspire generations of women around the world. Advance praise for Song of a Captive Bird "With rich empathy and gorgeous prose, Jasmin

Darznik breathes life into one of Iran's most iconic women, and the result is a beautiful novel that is as compelling as it is necessary."—Bret Anthony Johnston, author of *Remember Me Like This* "A thrilling and provocative portrait of a powerful woman set against a sweeping panorama of Iranian history."—Kirkus Reviews "Written with the urgent tenderness of a love letter, this soaring novel is a heart-breaker and heart-mender at once—a gorgeous tribute to the brave and brilliant poet remembered in its pages."—Tayari Jones, author of *An American Marriage* and *Silver Sparrow*
