Souls' Rescue by Pat Cronin Kelly McCoy is a firefighter and paramedic who's lived most of her adult life in New York. After 9-11, she relocates to Cincinnati, nursing a broken heart and looking for a new start. She takes one day at a time, trying not to let her losses overwhelm her. Talia Stoddard is an insurance wiz who's always been smart on the job, but unlucky in love. After years of being told that she's too big, too tall, too black, too lesbian, and not a very snappy dresser, Talia has resigned herself to a life alone with only her dear gay friend Jacob for a diversion. When Kelly and Talia's lives crash into one another, it's under the most stressful and threatening circumstances. Talia is in terrible danger, and it's up to Kelly to rescue her. In the horrendous situation they end up in, neither expects to find a friend, much less a soul mate. Will they rescue one another and heal the wounds of their pasts? Or will they both continue to believe that they're not worthy of the kind of love the other might offer? Souls' Rescue is the story of opening up to love, taking chances, and building a life that everyone dreams about, but few people ever find.
