Styling for Instagram by Leela Cyd Capture success on Instagram! Instagram is a digital wonderland of stunning photographs and inspirational images, but how can you make sure that your own photos stand out amidst the rainbow of eye candy? To master Instagram and earn that coveted double tap of approval, you need to have a strong personal brand and an aspirational style that captures the viewer. Styling for Instagram will help you achieve both. Author Leela Cyd has an eye for photography and keen sense of digital media—and she has the Instagram following to prove it. Full of gorgeous, full-color inspiration images, Styling for Instagram is full of her expert advice on how to make the most of Instagram. From tips on arranging the perfect composition and styling your shots to using natural lighting and telling story with your work, the book will help you capture the attention of the Instagram community.
