The Abundance Project: 40 Days to More Wealth, Health, Love, and Happiness by Derek Rydall From the author of the acclaimed book Emergence comes a step-by-step guide to design and create abundance in any area of life, including money, time, love, creativity, and more. The Abundance Project is about having more than enough in every area of your life—more than enough money, time, love, creativity, happiness—regardless of the circumstances you’ve been through or are currently facing. This may sound like wishful thinking, but once you understand what you’re really made of, and what the source of real abundance is, you will increase your capacity and unleash your divine inheritance. Built on universal, proven principles, The Abundance Project breaks you out of the unsustainable buying/consuming loop created by the mindset that fulfillment comes from outside ourselves. Instead, Derek Rydall—international life coach and integrative therapist—shows you that the infinite-sum reserve that’s already in you will provide all that you need. Rydall teaches the laws of giving and circulation that will release the channels of abundance-creating energy in your life through his Seven Gifts that Give You Everything; he will help you identify Abundance Blind Spots and Shadows that get in the way; and he walks you through the step-by-step Abundance Boot Camp so you can design and master the life you’ve envisioned. The Abundance Project is a way of living that turns life from transactional to transformational.
