The Life Letters, Courage to Rise by Emma Grace The long-awaited first book from Instagram sensation Live in the Details, Courage to Rise inspires the rising soul. Loss is a journey no one is prepared to take, but all eventually must. Courage to Rise walks beside readers during those first few pivotal miles. Past the heartbreak. Past the confusion. Past the questions and the self-doubt and the pain. And towards a place of hope, self-discovery, and most importantly, love. Courage to Rise is, quite simply, the book that has found a way to whisper all the things readers never knew they always needed to hear.
