The Skaar Invasion (Signed Book) (Fall of Shannara Series #2) by Terry Brooks Following The Black Elfstone, The Skaar Invasion is the second book of the epic four-part conclusion to the Shannara series from one of the acknowledged masters of the fantasy genre. The Four Lands are under siege. Wielding a magical ability virtually impossible to combat, mysterious invaders defeat the most fearsome Troll armies, then focus their savagery on the Druid order—and all hope seems lost. Eventually the invaders reveal a more human face, but understanding their motives in no way mitigates the brutality of their actions. Dar Leah, once the High Druid's Blade, has crossed paths—and swords—with their ruthless leader before. So he knows that if any hope exists, it rests in the hands of the Druid Drisker Arc, now trapped inside vanished Paranor. As Drisker races to find the ancient knowledge that could free him, Dar goes in search of Tarsha Kaynin, the young woman blessed with the powerful gift of the wishsong, whose magic could draw Drisker back into the world of the living. But little do they know that what appeared to be a formidable invading force may only be the forerunner of a much larger army—one intent on nothing less than total conquest.
