The Smoke Thieves by Sally Green Unforgiveable betrayals, devious motives, and forbidden love collide in the first installment of internationally bestselling author Sally Green's epic new fantasy series, perfect for Game of Thrones fans. In a land tinged with magic and a bustling trade in an illicit supernatural substance, destiny will intertwine the fates of five players: A visionary princess determined to forge her own path. An idealistic soldier whose heart is at odds with his duty. A streetwise hunter tracking the most dangerous prey. A charming thief with a powerful hidden identity. A loyal servant on a quest to avenge his kingdom. All are driven by ambition, honor, and desperation on the cusp of war. But who will be left standing when the smoke clears?
