- ISBN: 9780393733792
- Publisher: Norton, W. W. & Company, Inc.

Patrick Blanc, botanist and artist, is world famous as the inventor of the Vertical Garden. This new, updated edition of his book, *The Vertical Garden*, includes his latest achievements and projects, which are bolder than ever. Nobody is more familiar than Blanc with the secrets of the plants, from all over the world, that live on almost nothing, in the most unlikely situations, carpeting the forest understory in semi-darkness or clinging to rocky cliff faces. From Paris to ...
