Tormenta en La Habana / Havana Storm by Clive Cussler, Dirk Cussler Dirk Pitt regresa en esta nueva y emocionante novela del maestro de la aventura, el autor superventas mundial Clive Cussler. ¿Se le ha acabado la suerte a Dirk Pitt? Mientras investiga un estallido tóxico en el mar Caribe que podría suponer una amenaza letal para Estados Unidos, Pitt se ve envuelto inconscientemente en una lucha por el control en Cuba en la era post Castro. Entre tanto, los chicos de Pitt llevan a cabo una investigación por su cuenta, a la caza de una piedra que se destruyó durante la batalla en el puerto de la Habana en 1898. Aun así, ellos viajan a Cuba y al centro del peligro. La familia Pitt al completo ya ha pasado por situaciones desesperadas antes, pero quizá nunca tan extrema como la que afrontan esta vez. Acción y aventura sin fin en el mar en la entrega vigésimo tercera entrega de la serie «Dirk Pitt». ENGLISH DESCRIPTION Renowned marine adventurer Dirk Pitt returns to stem a toxic outbreak in the thrilling novel from the grand master of adventure and #1 New York Times-bestselling author. While investigating an unexplained poisonous spill in the Caribbean Sea that may ultimately threaten the United States, Dirk Pitt unwittingly becomes involved in something even more dangerous— a post-Castro power struggle for the control of Cuba. Meanwhile, Pitt's children, marine engineer Dirk and oceanographer Summer, are on an investigation of their own, chasing an Aztec stone that may reveal the whereabouts of a vast historical Aztec treasure. The problem is, that stone was believed to have been destroyed on the battleship Maine in Havana Harbor in 1898, which brings them both to Cuba as well—and squarely into harm's way. The whole

Pitt family has been in desperate situations before . . . but perhaps never quite as dire as the one facing them now.
